

GHSO - T**GREEN HYDROGEN TECHNOLOGY**

9:00 - 10:30

Solutions for hydrogen transportation and storage

Speaker:

**Simon Little**
Director, Clean Energy Sales
Middle East, Africa and India,
Chart Industries**Peter Gerstl**
Director of Hydrogen
Sales EMEA,
Chart Industries**GHSO - A****GREEN HYDROGEN APPLICATION****MENA's renewable hydrogen economy: Ongoing activities**

Speaker:

**Dr. Jauad El Kharraz**
Executive Director
Regional Center for Renewable Energy
and Energy Efficiency (RCREEE)**GHSO - RP****GREEN HYDROGEN REGULATIONS & POLICY****EU criteria and certification**

Speaker:

**Andrea Dertinger**
Consultant
Guidehouse**GHSO - S****GREEN HYDROGEN SAFETY****Fugitive Hydrogen impact and simple mitigation method**

Speaker:

**Muthana Shirzad**
CEO and Founder
Protium Technologies

10:30 - 10:45

COFFEE BREAK

10:45 - 12:15

Large scale ELX project development from the idea to implementation

Speaker:

**Devon Hyver**
Director Sales and Market
Development EMEA,
Plug Power**Joop Daamen**
Tender Manager,
Plug Power**The application of hydrogen fuel cell systems toward sustainable mobility**

Speaker:

**Nabil Nachi**
Head of Fuel Cell Electric Commercial
Vehicle Development
Hyundai Motor Company**The need of certification and regulations for hydrogen market**

Speaker:

**Nahla Abid**
Vice President, Sales & Strategy
Middle East and Caspian Sea Region
Bureau Veritas**Mitigating risks and ensuring safety when planning and operating Power-to-X facilities**

Speaker:

**Florian Michl**
Principal Engineer Hydrogen -
Safety and Performance,
TÜV SÜD

12:15 - 13:15

NETWORKING BREAK

13:15 - 14:45

Scaling up the green hydrogen technology to unlock the H2 market in MENA region

Speaker:

**Alan Zhao**
Director - New Power Business
Cummins Africa Middle East Region**Exploring a roadmap to position MENA as hydrogen exporter**

Speaker:

**Jeffrey Beyer**
Jeffrey Beyer
Managing Director
Zest Associates**Carbon market and methodology**

Speaker:

**Julieta Nikova**
Methodologies Manager
Global Carbon Council,
Doha-Qatar**Subhendu Biswas**
Director,
Climate Action
Global Carbon Council**Green Hydrogen production safety : black swan case**

Speaker:

**Frank Yu**
Global Vice President, Power to X Business,
Envision Group
